I. Read and passed the District Fund Accounts of Receipts and Expenditure for the months of July and August 1908, audited by the Comptroller.

II. Read Government Proceedings No. G. 2918-35—G. M. 56-08-11, dated 13th November 1908, revising the establishments attached to the 1st and 2nd class travellers' bungalows and recommending to District Boards the feasibility of reducing the establishments of 3rd class bungalows wherever possible.

Resolution.—The 3rd class bungalow establishment is already at the lowest possible minimum and further reduction is impossible as one caretaker on Rs. 5 constitutes the entire establishment. So far from desiring a curtailment of the existing establishment, the Board has all along been of opinion that the existing establishment is insufficient, and recommended the entertainment of a scavenger on Rs. 6 per mensem for each of the 3rd class bungalows as much inconvenience was felt by travellers for want of such scavengers. The recommendation, however, was not sanctioned by Government. They beg leave to press the question again for favourable consideration. It is impossible for the one caretaker to keep the compound clean.

III. Read General and Revenue Secretary's docket No. 5825-30—L. B. 275-05, dated the 17th December 1908, inviting attention to Government Order No. 7620-36—L. B. 275-05-13, dated 6th March 1907, calling for a report at the end of 1907-08, on the working of the scheme for the institution of prizes to the patels who keep their villages most clean and tidy and requesting the favour of a reply thereto and the papers connected with the subject.

Resolution.—On a perusal of the reports received from the Amildars, it cannot be said that the scheme was one of success. The Board are still of the opinion that they expressed in their Proceedings dated 8th February 1906, when they expressed themselves as very diffident in concurring with the views of the Bangalore District Board.

IV. Read General and Revenue Secretary's docket No. 6513—L. B. 220-08-2, dated 12th January 1909 requiring the Board's Resolution in the matter of purchasing two conservancy carts for the Bellavi Union.

Resolved that two conservancy carts at a total cost of Rs. 80 be purchased for the Bellavi Union and that the same be met out of the sum provided for the Kyatsundra Union.

V. Read Excise Commissioner's letter No. 5650 dated 12th December 1908 requesting to be informed whether it is possible to meet out of the District Funds of this district the proportionate cost of repairing the cart-track from Agalkote in the Magadi Taluk to Sondalgere in the Kunigal Taluk, etc.

Resolved that the matter of contributing towards the cost of repairs to the cart-track referred to, be considered next year.

VI. Read docket No. 1092, dated 15th January 1909 from the President, Hassan District Board, forwarding copy of the Resolution of the Hassan District Board regarding the opening of a toll-gate at Karehalli in the Channarayapatna Taluk with a view to find funds to keep the Channarayapatna-Tiptur road in a good condition and requesting to be favoured with the President's opinion in the matter in consultation with the District Board of Tumkur, etc.

Resolution—With the exception of one or two members all agree to the proposal of the Hassan District Board in regard to the proposed toll-gate at Karehalli on the Channarayapatna-Tiptur road as proportionate profit from the tolls would enable this Board to better maintain the portion of the road lying within the Tumkur District.

VII. Read Executive Engineer's docket No. 48, dated 27th January 1909, stating that the actual length of the Challakere-Pavagada road is 19 miles and not 21 miles as noted in the sanctioned budget and that the excess of Rs. 100 granted for the said road may be resumed and appropriated for repairs to the 3rd class travellers' bungalows, etc.

Resolution.—Approved.

VIII. Read Executive Engineer's docket No. 39, dated 23rd January 1909, forwarding for countersignature an estimate for Rs. 480 for repairing the tunnel on Banawara-Sira road.

Resolution.—Approved.

IX. Read Executive Engineer's docket No. 336, dated 11th December 1908, forwarding for sanction two special estimates amounting to Rs. 4,093 for metalling the bad furlongs of Nelligere-Sira road with a view to find labour for cooly classes in the affected parts of the Turuvekere Sub-Taluk and papers connected therewith.

Resolution.—The work proposed is urgent and necessary. The sum of Rs. 4,093 required for this work may be met out of the provision in the current year's District Fund Budget under B. Public Works. The less important budgetted works may be stopped this year.

X. Read Executive Enginner's docket No. 10, dated 12th January 1909 intimating that an estimate for Rs. 4,108 for metalling the Tumkur-Maddur road has been sanctioned by the Secretary to Government, Public Works Department, and proposing that the sum of Rs. 1,500 granted in the current year's budget for opening out a road from Halkur to Honnavalli may be transferred for carrying out the above said road work, etc.

Resolution.—Out of the sum of Rs. 1,500 required for the road, a sum of Rs. 900 may be made avilable out of the current year's grant under B. Public Works and the balance of Rs. 600 may be met by reappropriation out of the provisions made in the current year's budget under the marginally noted heads, as the amount provided for Halkur-Honnavalli road was resigned at the instance of the Financial Secretary to Government.

	Rs.
VI. Conservancy and Sanitary charges ...	400
X. Mis. (3) Destruction of cover afforded to snakes ...	200
Total ...	600

XI. Read Executive Engineer's dockets Nos. 335 and 339, dated the 11th and 14th December 1908, forwarding estimates for the marginally noted works for countersignature.

1 Repairing 3rd class travellers' bungalow at Badavanahalli .. 95
2 Do Nelahal ... 200

Resolution.—Approved.

XII. Read the District Fund Budget estimates for 1909-10 compiled by the Finance Committee.

Resolution.—Passed.

XIII. Read Maddagiri Sub-Divisional Officer's yadis Nos. 256 and 259, dated 12th January 1909, forwarding the Maddagiri Taluk Amildar's reports submitting certain proposals for increasing the establishments in the newly constituted Unions and pay of sweepers employed in them from Rs. 3 to 5, and Gubbi Sub-Divisional Officer's yadi No. 469, dated 18th January 1909, recommending an increase of pay to the sweepers in Honnavalli Union, Tiptur Taluk, from Rs. 5 to 6.

Resolution.—The recommended increase of pay is unnecessary. The prevailing rate of pay at Rs. 5 being already too high, the opinions of the Taluk Boards will be invited as to the advisibility of reducing the rate to Rs. 3 uniformly throughout the district. It is better perhaps to increase the number of sweepers.

XIV. Read the list of works proposed to be carried out during the year 1909-10 out of the Irrigation Cess Fund.

Resolution.—Passed.

XV. Read the well-boring instruments and tube wells as per details noted in the margin may be purchased out of the provision in the current year's District Fund Budget under B. Public Works for use in the several taluks of this district. With these instruments many old wells can be easily deepened and the cost of new wells avoided to a large extent.

Well-boring instruments—	Rs.
24 iron bars and 28 pulleys at a cost of about ...	480
Tube wells—	
12 sets of hand drawing apparatus and 2 dozen pumps at a probable cost of ...	1,800
Total ...	2,280

XVI. Read and passed the list of works sanctioned during the month of December 1908.

XVII. Resolved that the next meeting of the Board be held on 6th May 1909 at 2-30 P M.

K. DORASWAMI IYER,
President.

MYSORE DISTRICT.

PROCLAMATION

Dated 7th January 1909.

Under Section 8 (1) of the Mysore Municipal Regulation, VII of 1906, it is hereby announced that it is proposed to constitute the Mandya Town (including the suburbs of (1) Kalhalli, (2) Chindigiri Doddi, (3) Chik Mandy, (4) Motrotinganadoddi, (5) Dyavegowdana Doddi; (6) Hosahalli) into a Municipality. All persons who entertain any objection to the said proposal are requested to submit the same to the Deputy Commissioner, Mysore District, with reasons therefor in writing within two months from the date of the first publication of this proclamation in the *Mysore Gazette*.

2. The boundaries of the town including the six suburb villages are shown hereunder :—

The boundary line of Mandya Municipality commences at the south-west corner of Survey No. 120 of Mandya Town near Bannur road and follows the western boundary line of Survey Nos. 120, 121 and 122. Here it turns to the north-west and continues along the southern boundary of Survey Nos. 124, 125, 126 and 127 till it reaches the south-western corner of Survey No. 128 where it takes a northerly direction up to the north-west corner of Survey No. 215. Thence the line turns to the north-west along the southern boundaries of Survey Nos. 216, 223 and 224 and crossing the Mysore road runs as far as the north-west corner of Survey No. 226 and turns to the north-east and passes along the canton line of Kalhalli tank up to Survey No. 390, where it turns to the north-west and runs along the bund of Kalhalli tank. It then crosses the left Kodihalla of the said tank near Survey No. 327, runs along the western boundary line of Survey Nos. 330, 333, 335 and meets the boundary line of Panakanahalli village about the middle point of the boundary line of Survey No. 336 near the cart-track to Panakanahalli village. Thence the line runs along the north-eastern boundary line of Survey No. 336 till it meets the
